

# SPARKS X INCOMERCIAL

Commercial & Administrative Building

# About the project

Through a customer-centric development plan, we came up with a unique approach to shape mixed-use commercial building locating across the most prime locations in 5th settlement.

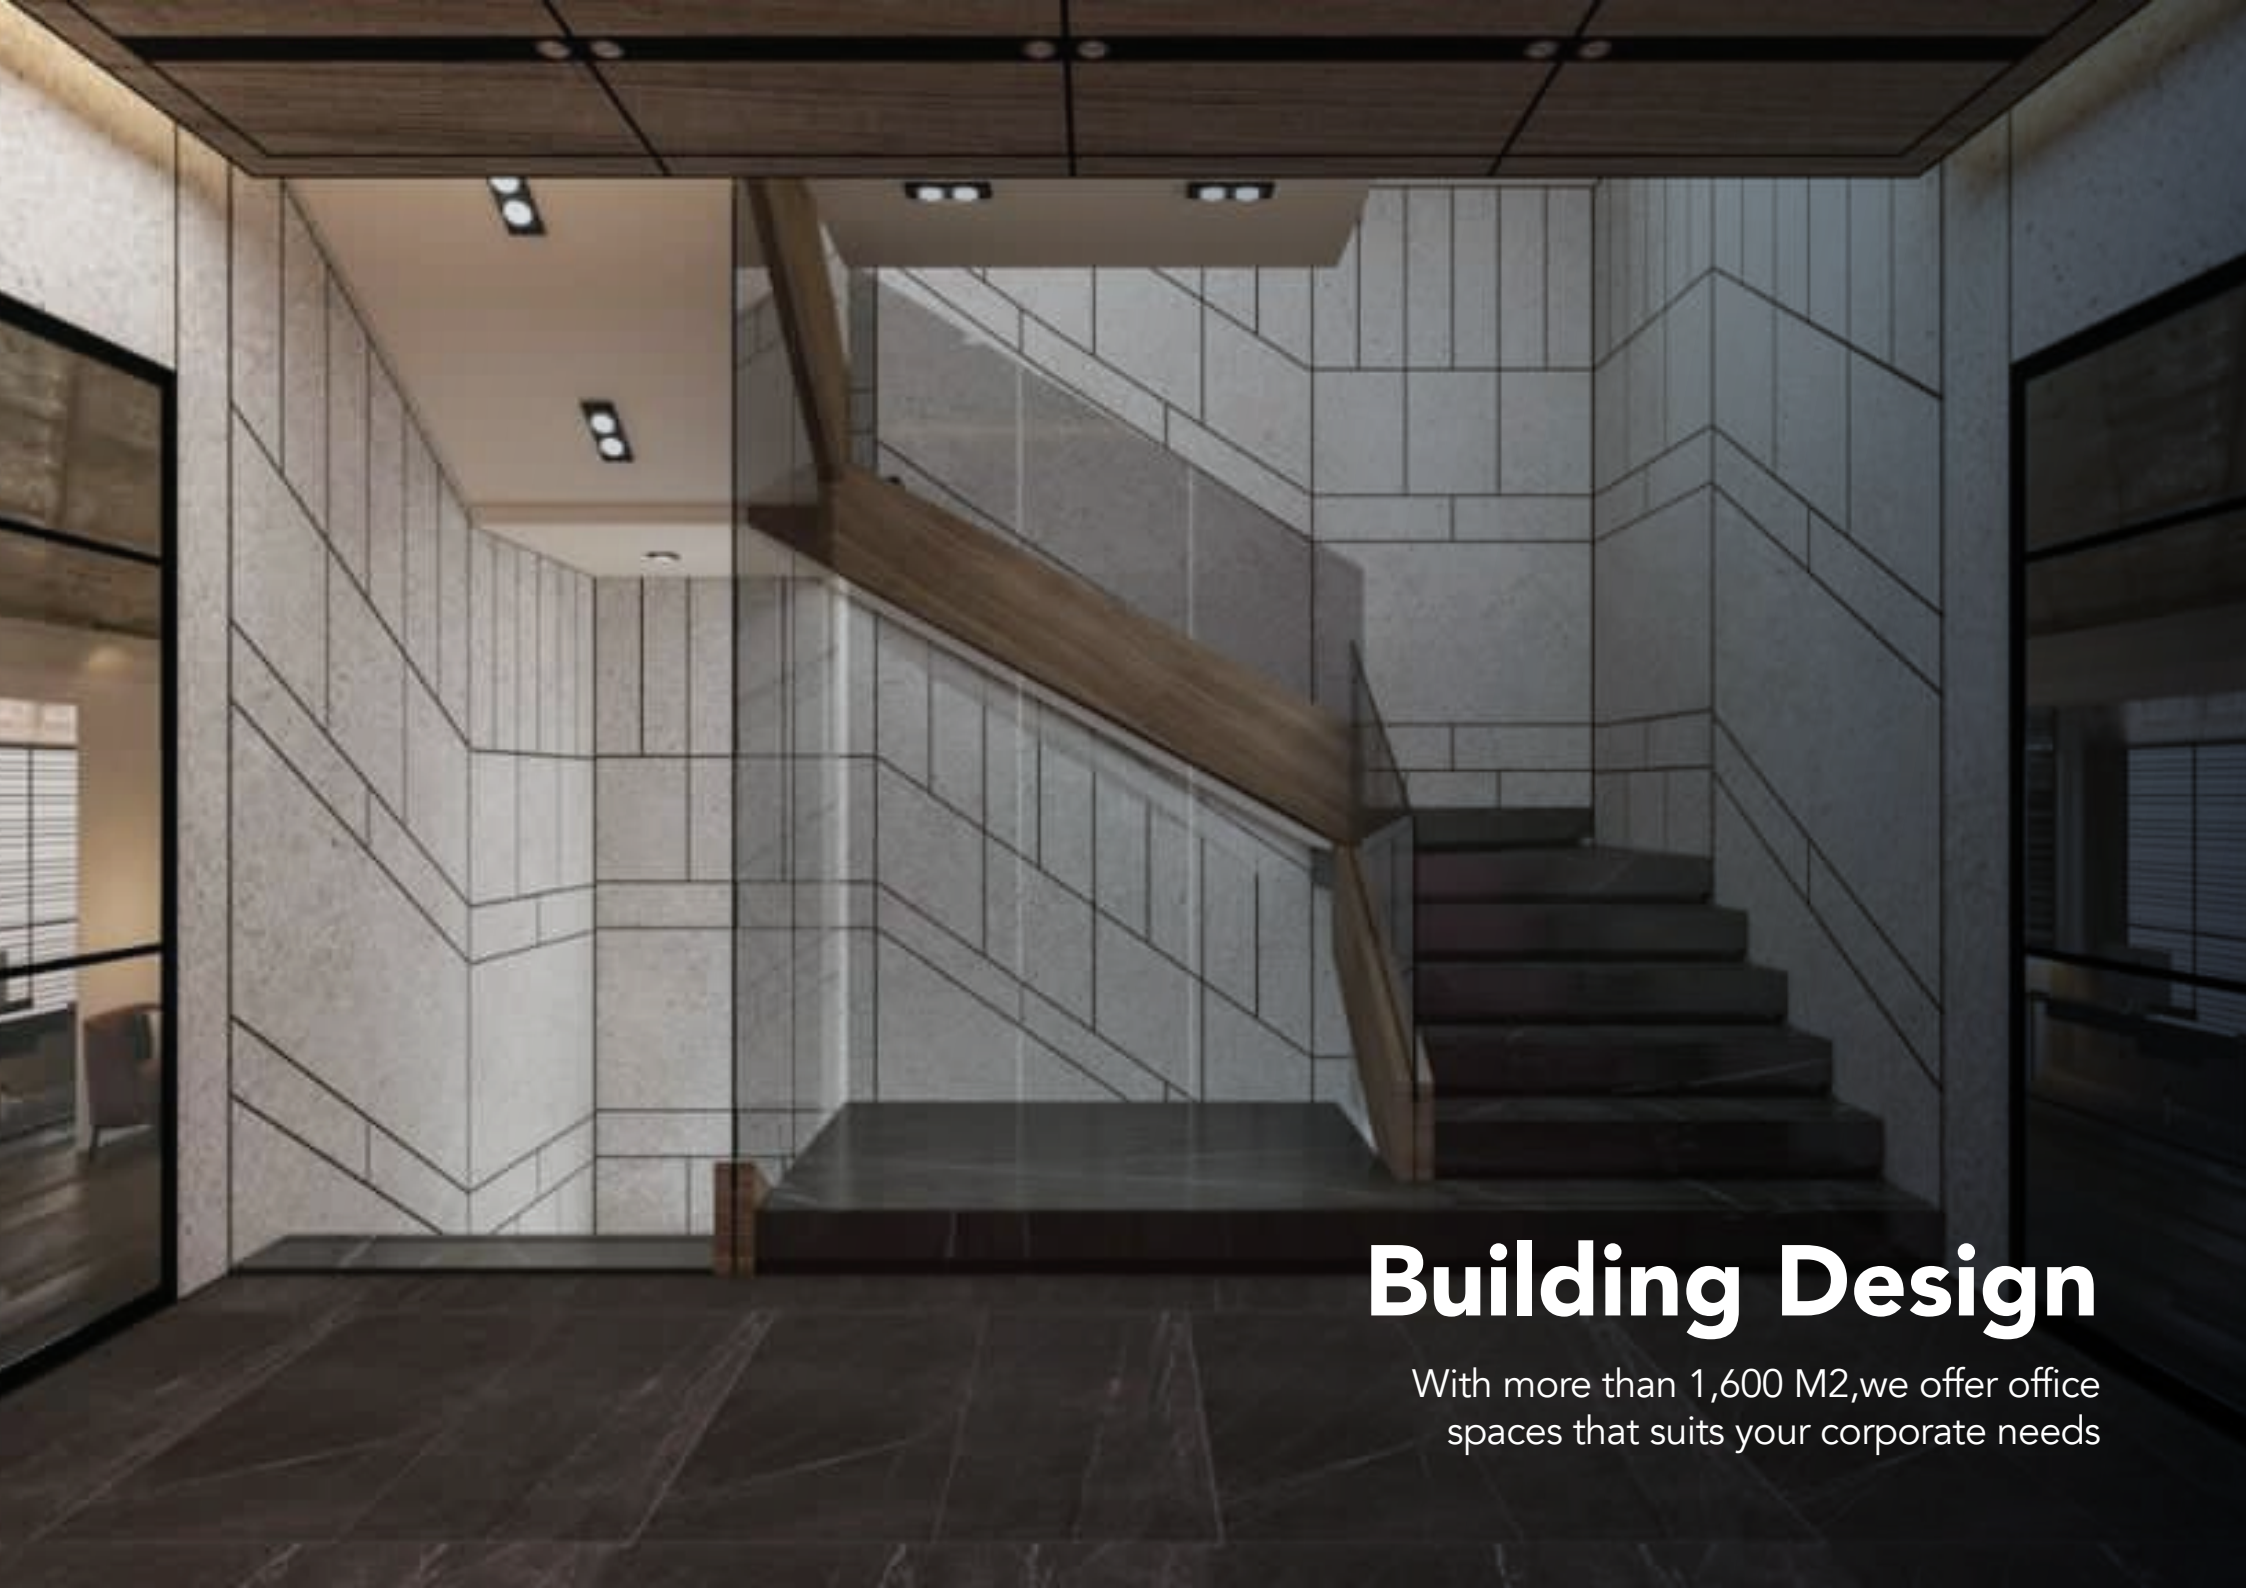

We choose partners who help us make business a pleasure adding values and the finest selection of facilities to our customers.

Our partners are one of our main strength points.

# Building Design

With more than 1,500 M2, we offer retail spaces that suits your needs

# Building Design

With more than 1,600 M2, we offer office spaces that suits your corporate needs

# INCOMERCIAL

REAL ESTATE LEASING & INVESTMENT
